Experience

Quality Thought   **Sep 2024 – Mar 2025**

Trainee – MERN Stack Developer

- Completed insensitive training on MERN stack development, gaining expertise in building scalable Web Applications.
- Developed hands-on projects including e-commerce platforms, weather applications, and portfolio websites.

Skills

HTML, CSS, JavaScript, React.JS, Node.JS, Express.JS, MongoDB, Bootstrap, Git & GitHub

Project

Multivendor E-commerce Application using Node.js, React.js and MongoDB
Developed a feature-rich multivendor e-commerce application using the MERN stack.
- Developed a multivendor e-commerce application using the MERN stack, enabling vendor registration, product management, and order tracking.
- Implemented user authentication and an admin dashboard for centralized management, ensuring scalability and responsive design.

Weather Application (HTML, CSS, JavaScript)
Developed a weather application that fetches real-time weather data using an API.
- Built a user-friendly interface displaying weather conditions, temperature, and forecasts dynamically.
- Implemented API integration for real-time data retrieval, ensuring accurate and up-to-date weather information.

Calculator Application (HTML, CSS, JavaScript)
Developed a responsive calculator application for performing basic arithmetic operations like addition, subtraction, multiplication, and division.
- Designed a clean, user-friendly interface with interactive buttons and display using HTML and CSS.
- Implemented JavaScript logic to handle real-time calculations, input validation, and error handling.

Portfolio Website Designing (**HTML, CSS, JavaScript & React.js**)
Designed and implemented a dynamic and user-friendly Personal Portfolio using React.js and Tailwind CSS.
- Developed a personal portfolio website showcasing skills, projects, and education, using React.js for dynamic component-based development.
- Integrated Redux for efficient state management, ensuring seamless navigation and improved user experience.

Education

Sree Venkateshwara Collage of Engineering (SVCN), Nellore, AP   **2020 – 2024**

Bachelor of Technology, Electrical and Electronics Engineering   Grade: 7.12 CGPA

Academic & Extracurricular Achievements

- Certified in Azure AI Fundamentals from Microsoft   Mar-30-2023
- Completed Introduction to Internet of Things from NPTEL IIT Kharagpur   Jan-Apr-2023
- Certified in Mern Stack Developer from Quality Thought   Sep-24 - Mar-25
